

Fort Worth Quilt Guild presents RaNae Merrill

Fort Worth Quilt Guild in conjunction with Live Online Quilt Class will be streaming a LIVE Quilt Guild meeting on Tuesday, August 18 from 6:30 - 8:00 pm

Logging in to the class: Zoom & Camera Set Up: In order to participate in this live online class, you'll need an internet connection and a cell phone, tablet or computer with a camera. If you use a cell phone or tablet, go to Google Play or the App Store to download and install the Zoom Cloud Meetings app. If you are using a computer, it is not necessary to install an app: Zoom will download and open automatically when you log in for class. You do not need a Zoom account.

IMPORTANT: The best device for a workshop is a cell phone or tablet because these have cameras on front and back. Use the front camera (selfie mode) to talk face-to-face with the teacher. Use the back camera (regular picture mode) to show the teacher your tabletop or sewing machine; you can also see what the teacher sees. The device needs to be on a stable stand that can be tilted. Please set up your device and practice using it before class.

Please use the following link to join class. Plan on joining 30 minutes before class starts in case you have any issues. **Please make sure that your name is correct when you enter the meeting so attendance can be taken correctly.** [Download complete Zoom User Guide](#)
